

Pasta with Sausage and Peas

1 bag (8 ounce) Sausage Crumblers or 1 can (19 oz) Mini-Links
1 package (8 ounce) spaghetti pasta
6 cloves garlic, chopped
½ cup frozen peas
½ cup mushrooms, chopped
1 can (6 ounce) black olives, sliced
1 teaspoon Vegetarian Express Greek Isle Seasoning
¼ teaspoon each of thyme and rosemary
Salt and pepper to taste
¼ cup olive oil

Directions: Cook the pasta per package directions. Sauté the garlic in olive oil over medium heat until lightly browned. If using Mini-Links, crumble them into small pieces with a fork. Add all ingredients to the pan with the garlic and stir until the mushrooms are cooked and the peas are heated through. Toss the mixture with the cooked pasta and serve.
